Dear Publix,

On behalf of the YMCA Timucuan Federation Guides and Princesses, we want to thank you for your generous commitment to our Lemonade for Life event.

Your participation and assistance is so greatly appreciated! The wonderful location was critical to the success of our event.

Publix commitment to this event has direct impact on the Jacksonville area community as well as benefits nationwide. The proceeds from Lemonade for Life will go to **Alex's Lemonade Stand Foundation** to raise money and awareness for pediatric cancer causes, primarily research into new cures and treatments.

The lessons the children learned today by holding a lemonade stand are simple but powerful. Every person can make a difference in the world. And today, that's what everyone at Publix did!

Thank you for your support of our local endeavor to raise much needed funding for childhood cancer. For more information about YMCA Guides and Princesses, please visit www.timucuan.org. To learn more the Alex's Lemonade Stand Foundation, Lemonade for Life event, visit www.alexlemonade.org.

Sincerely,
